**Drawing Information**

The Facebook Live game will have five predetermined questions that can be answered only using numbers. Players type their guess in the comment section and their information begins to display in the game. Answers are automatically calculated and results are displayed after each round. The closer to the correct answer the player is, the more points they earn. Whoever has the most points at the end, wins.

Winners will be notified via email, phone, or applicable social media platform of their winning status using the contact information provided with their entry. After initial contact, winner must complete the OLC validation process within three (3) days or winner will automatically forfeit the prize. If a winner is not able to be reached, the prize will be forfeited. Alternates will be contacted if the initial winner does not claim the prize.

The Oklahoma Lottery Commission (OLC) will take photos and/or videos of winner(s) accepting their prize. Winner(s) that claim their prize remotely or by mail will be required to submit a photo of themselves before prizes will be awarded. By accepting the prize, the winner(s) authorize the OLC to use their image/voice in recordings and photographs to be used for promotional advertising. Failure to comply will result in forfeit of prize and an alternate winner will be chosen.
