Drawing Information

All submitted entries will be digitized and uniquely numbered for the official drawing. A computer-based automated drawing system will be used to execute the official drawing. Contestants who have won a contest on the Oklahoma Lottery social media platforms in the past 30 days are not eligible to win.

Winners will be notified via email, phone, or applicable social media platform of their winning status using the contact information provided with their entry. After initial contact, winner must complete the OLC validation process within three (3) days or winner will automatically forfeit the prize. If a winner is not able to be reached, the prize will be forfeited. Alternates will be contacted if the initial winner does not claim the prize.

The Oklahoma Lottery Commission (OLC) will take photos and/or videos of winner(s) accepting their prize. Winner(s) that claim their prize remotely or by mail will be required to submit a photo of themselves before prizes will be awarded. By accepting the prize, the winner(s) authorize the OLC to use their image/voice in recordings and photographs to be used for promotional advertising. Failure to comply will result in forfeit of prize and an alternate winner will be chosen.
