Drawing Information

The prize drawings will be held at the Oklahoma Lottery Commission (OLC) headquarters. During the drawings, only the Claims representative and Security official will be present. All

submitted entries will be digitized and uniquely numbered for the official drawing. A computer-based automated drawing system will be used to execute the official drawing. A total of three (3) entries will be drawn for each promotional drawing prize. The first entry drawn will be assigned the winner and will be awarded the prize, pending validation through the OLC Claims process. The remaining entries drawn will be assigned as alternates in the event the winner cannot claim their prize. The winners will be contacted by the OLC for prize fulfillment purposes. If there are not enough valid entries within the total number drawn, an equal amount will be re-drawn and subsequently validated through the OLC Claims process.
