## **\$2 MILLION WINNING POWERBALL TICKET CLAIMED IN OKC**

**Oklahoma City (November 1, 2022)** – A \$2,000,000 winning ticket that was sold in Oklahoma City, Oklahoma was claimed today at the Oklahoma Lottery Winner Center. The Powerball ticket was purchased by Ronald, an OKC resident, at Homeland located at 7001 N.W. 122<sup>nd</sup> Street.

While drinking his morning coffee, Ronald checked his ticket and was shocked to see that he had won. He said that he buys Powerball tickets every once in a while, never expecting to win, but now says he will play all the time. Since realizing he had a winning ticket, he says he cannot stop shaking.

The ticket was purchased for the drawing that occurred on October 31<sup>st</sup> when the jackpot reached \$1 billion, making it only the second time that the Powerball jackpot reached the \$1 billion mark. There were no winning jackpot tickets sold for Monday's drawing so the jackpot has increased to \$1.2 billion and will be drawn on Wednesday, November 2<sup>nd</sup>. To date, Powerball holds the world record for largest jackpot set in 2016 at \$1.586 billion.

### **About the Oklahoma Lottery**

Last fiscal year, the Oklahoma Lottery paid out more than \$213 million in prizes to players, helping to drive both the local and state economy and bolster retail revenue throughout Oklahoma.

Since its launch, the Lottery has generated more than \$1.17 billion in funds that have been given to the Oklahoma Education Lottery Trust Fund. As sales continue to grow, the Oklahoma Lottery is able to increase the contributions that benefit students and teachers across the State of Oklahoma.
