

How to Run Reports on a Self-Service Machine (PHD)

There are several reports available on a PHD. To access these reports:

1. Use the red dot key to unlock the self-service machine.
2. Log in using your specific account number and password.
3. Hit the **Accounting Reports** button.

On this tab, the following reports are available:

- **Daily Activity**
- **Daily Summary**
- **Weekly Invoice**
- **Instant Settled**
- **Lifetime Sales**
- **Weekly Sales**
- **Daily Sales**
- **Instant Sales**
- **Ticket Inventory**
- **Shift Report**
- **Deposit**

If you select the **Events Reports**, you can access the following reports:

- **Event Log**
- **Balance Events**
- **Security Events**
- **Burster Events**
- **Burster Details**
- **Bill Events**

If you select the **Miscellaneous Reports** tab, you can access the installed games for the machine.
